

## Did You Know

In *Johnny's Story*, I started the recurring appearance of Chris, my guardian angel from *My First Seven Days In Heaven and More* in my disclaimer at the beginning of the book. But did you know that I also used a situation from *Johnny's Story* that will be used again in *Hanna's Huggers*? I won't give it away except to say it has to do with his daughter. Keep an eye out as you read my stories.
